

KUYAHOORA VALLEY
CHAMBER OF COMMERCE
MEETING MINUTES

July 10, 2018

ATTENDEES:

Melissa McCredie	NBT
Leslie Irwin	Newport Telephone Company
Laurie Vincent	Vincent's Heating & Fuel
Erna Newman	W.E.A.

Meeting was called to order at 11:40.

Website:

Discussion was had on changing our website and Zoho which was recommended to use for our e-mail distribution. Concern with switching was having to administer another site.

Leslie had talked with David Putney on it and will find out more info as David was gonna see what INOC could also do.

More discussion was had on Cathy working on our site and her desire to move it to Wix for hosting. We agreed we needed to find out more info such as the fee they have for hosting, can they do the batch email to our members, can you have multiple administrators for the site.

Spotlight Ad Format:

Melissa brought the sample in that they had created at Rural Star. All agreed that we would prefer it to look like our original layout and not list the towns.

It was questioned if Fiacco's and Patty Jean's received their \$25 for winning the drawing at the Annual Dinner. We need to follow up on this with Holly.

Melissa spoke with Joanne (Patty Jean's) at the meeting and she said she has not picked where she would like the gift certificate from.

Redid the drawing for the Spotlight as Newport Tel and NBT felt that although they won the Drawing at the dinner they did not want to be first.
