Scholarships for Graduating Seniors at PCS & WCV:

Leslie questioned those in attendance if we planned to continue the Awards at both schools for this year's seniors? It was agreed that we would and that Leslie would update the information with a return date deadline of May 20th. All questions were reviewed and it was agreed that we would not change the essay topics.

Leslie will reach out to WCV when she sends them the information regarding the lack of submissions in the past from them and she hopes that this year we do see some.

It was agreed that we would wait and determine how we do the awards until the final judging and we see how the scores fall out and if we receive submissions from both schools.

The revised information Leslie said she would get to the schools this week.

Business Member Spotlight:

Leslie shared that it might be nice to spotlight a new business in the Rural Star similar to how Trenton is doing. Could be one of the incentives of why a business should be a chamber member.

Business after Hours:

Discussion was had again on having a BAH's and Laurie thought Vincent's might want to and need to contact Richard – Alamo on his interest.

Political Q & A Meeting:

Discussion was had on a possible location for the event. Having it in the morning ruled out the schools. Masonic Temple was discussed but parking can be an issue. The firehouses are a potential. It was agreed the best location might be the Adirondack Legion in Cold Brook.

Leslie will reach out to them to see about the possibility of having it there on June 14th.
